

# Making the Most of Your Mudroom

H21: 1144 Laurel Ave | Designer: Katie Jaydan

Project Type: Mudroom

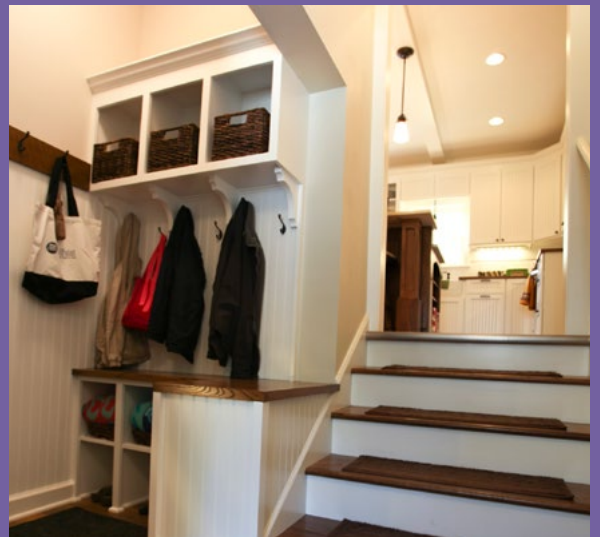

Many of our clients with mudrooms would tell you that the mudroom is their favorite part of their remodeling project.

### Benefits:

**Storage:** Hats, coats, shoes, boots, backpacks, pet accessories, pet food, gym bags, sports equipment (depending on sq ft), keys, first aid, picnic and outdoor accessories, cleaning equipment, excess bulk pantry items, etc.

**Organization:** A place for everything, everything in its place. De-clutter and live a more fulfilling life. Seriously, your life could improve if you avoid tripping and falling down the stairs!

**Design Trends:** Baskets, benches, hooks vs hangers, mudroom / laundry room combination and more!
