HOME TOUR

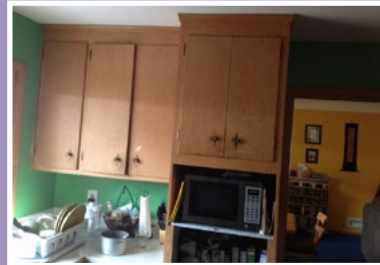

The Educational Remodeling Tour

H4: 3307 Johnson St NE

Designer: Emily Blonigen | Project Type: Kitchen, Bath
 Educational Feature: Using Social Media to Plan Your Remodel

With thoughts of today's technology in mind, this Northeast Minneapolis home was planned thoroughly through the help of Castle and social media outlets such as Pinterest and Houzz. Hoping to gain more storage and work space in this kitchen, Castle created a plan that added cabinetry, opened walls and created an overall better workflow. Meanwhile, the bathroom received a full upgrade - with Kohler's latest VibrAcoustic technology. This bathroom has been transformed from end of the hall bathroom to a full on spa experience.
